Meet the Author

Alison Jackson, a Children's Librarian, has written picture books as well as novels for both middle grade and older readers. Being a librarian has allowed her to see what types of books are most needed.

My Brother the Star, her first book, deals with sports and sibling rivalry, appealing topics to middle grade boys who are often reluctant readers. Her popular picture books, which include *I Know an Old Lady Who Swallowed a Pie* and *If the Shoe Fits*, are based on well-known songs and rhymes and feature strong female characters.

Ms. Jackson lives and works in Orlando.
